### The beauty burden

RACHEL HOVNIANIAN

Artist Rachel Lee Hovnanian's work is the inspiration for a panel discussion tonight, "The Power & Burden of Beauty." Shopping, surgery and staying young will be addressed by panelists who include a former TV anchor, a May Kay sales director, a medieval-studies professor and a sorority member. It's from 5 to 6:30 tonight at the Fashion Industry Gallery/Beck Imaginarium, on the fifth floor, at 1807 Ross Ave., Dallas. Free. Hovnanian's works will be on view tonight and at the Dallas Art Fair, Feb. 4-7. Be sure to check out her fun-house dressing room with unflattering mirror, bad lighting and beat-yourself-up soundtrack. Or see her work online at [www.rachelhovnanian.com](http://www.rachelhovnanian.com).
