Hotel ZAZA hosted an unforgettable naughty and nice New Year's Eve bash at Houston's hottest spot. This fun-filled bash had a Heaven and Hell theme that definitely was a sight to see. The entertainment for the night was DJ Hardware, and the Monarch Lounge was decorated in red and black as hell and the Monarch Terrace was decorated in blue as heaven. At midnight the champagne bottles popped, toasts were made and partygoers rang in 2008! **LC**
