Terrific Twos

WE EXPECT AN OVER-THE-top affair when it comes to **TWO BY TWO FOR AIDS AND ART**, but this year's event was particularly dazzling. The State Fair-themed First Look party, held, as usual, at the Rachofsky manse, was exactly the kind of tongue-in-cheek fun we'd been craving. Co-chairs **Brian Bolke** and **Angie Barrett** brought in fancied-up Fair food (think foie gras cotton candy from Charlie Palmer), gave former chairs pageant sashes to wear, and brought in the high-energy Polyphonic Spree for a rockin' performance (we saw you dancing, **Deedie Rose**). Two nights later at the Last Look party, '80s superstar **Taylor Dayne** filled in for an absent **George Michael**, performing for local luminaries **Marguerite Hoffman** and **Charlotte and Shy Anderson**. A-list celebs **Sigourney Weaver**, **Stanley Tucci**, and **Simon Doonan** made the night star-studded.
